A STUDENT IS INVOLVED

**SECRET  
Samaritans**  
Monarch H.S.

**CONFIDENTIAL  
SUPPORT.  
LASTING  
IMPACT.**

Every year, Monarch High School students quietly miss out on school-based activities because of financial barriers.

Secret Samaritans, a 501(c)(3) nonprofit, connects compassionate community members with students in need, which ensures every student can participate, belong, and thrive.

**All student requests are completely anonymous.**

Our Secret Samaritans never know who they help, and students never know who helped them. It's compassion done quietly and with dignity, privacy, and real impact.

**You can help by becoming a Secret Samaritan today.**

Joining simply means receiving an email when help is needed with no expectations, just opportunities to make a meaningful difference.

Your donation can cover things like:

- Club or sport fees
- Classroom and AP testing fees
- Dance tickets and yearbooks
- School-based travel costs
